Dear Mr Cameron 

I am writing to express my gratitude to the Cameron Group for your support of the National Heavy Vehicle Regulator's safety campaign.

The use of a Cameron's truck was greatly appreciated, as was the advice and support from Paul Nelson, Bruce Forsyth and Scott Hughes in helping us to film the campaign.

I'm advised Bruce Forsyth and Paul Nelson went above and beyond in ensuring that the vehicle had all the required features, including allowing us to attach a decal of the campaign slogan "We need space to keep you safe", as well as helping us through the logistics and insurance challenges.

I've also been advised that Scott Hughes was invaluable on the day of filming and our team greatly appreciated his enthusiasm, experience and expertise.

This campaign is an important safety initiative and I look forward to sharing the end result with you over the next few months before we publicly launch it. Thank you for your support, and please pass on my thanks to Paul, Bruce and Scott also.

Yours sincerely

Sal Petrocetto
Chief Executive Officer
